CHITIMACHA TRIBAL POLICE NEWS

MAY 2008

For the month of May 2008, ninety-six traffic citations were issued on various traffic violations. Eighty-six of these violations were written during the Bureau of Indian Affairs (BIA) Indian Highway Safety Program (IHSP)—Click It or Ticket Day and Night Mobilization that occurred from May 19 to June 01, 2008. This program gave an added opportunity for police to enforce safety belt laws and save Tribal members lives and also for the Chitimacha Police Department to receive an incentive award. Of the eighty-six violations written, fifty were for safety belt violations and four for not having a child properly restrained in a moving vehicle.

The BIA IHSP quoted the following facts:

1. High visibility enforcement is one of the biggest deterrents in law enforcement—this can be done through saturation patrols and checkpoints.
2. Nearly 90% of the fatal crashes reported to the BIA IHSP at this time of year were alcohol related.
3. Native Americans are 2 to 3 times more likely to die or be seriously injured in a traffic crash than any other ethnic group. Driving impaired is a crime.
4. By participating in the Click It or Ticket Program, police departments may receive one of several incentive grants—the grant could provide a radar, checkpoint equipment or portable breath testing equipment.

The following arrests were logged for May 2008:

- | | |
|----------|---|
| 05-04-08 | Two female subjects arrested for disturbing the peace by fighting. |
| 05-10-08 | One female subject arrested for domestic abuse battery and disturbing the peace intoxicated. |
| 05-11-08 | One male subject arrested for disturbing the peace. |
| 05-11-08 | One male subject arrested for hit and run driving. |
| 05-14-08 | One male subject arrested for simple battery and disturbing the peace intoxicated. |
| 05-17-08 | One male subject arrested for disturbing the peace by urinating in public. |
| 05-19-08 | One male subject arrested on an outstanding warrant from the 16 th Judicial Court for failure to appear for arraignment on the charge of criminal trespassing. |
| 05-23-08 | One male subject arrested on an outstanding warrant from the 16 th Judicial Court for failure to appear on the traffic charge of expired inspection sticker. |

- 05-25-08 One male subject and one female subject arrested for possession of marijuana.
- 05-25-08 One male subject arrested for distribution of marijuana and illegal carrying of a firearm.
- 05-27-08 One male subject arrested for aggravated flight from an officer and possession of schedule III narcotics. He was also cited on two counts of running a stop sign, improper backing on a highway, and five counts of failure to use a turn signal.
- 05-31-08 One male subject arrested for violating the conditions of a restraining order.
- 05-28-08 A juvenile petition was filed in the Chitimacha Juvenile Court on a 14 year old male subject on the charges of theft and criminal mischief.

***BUCKLE UP AND DRIVE SAFELY!
HAVE A GREAT SUMMER!***

On Monday, April 28, 2008, Officer Amy Theriot completed her eighth grade D.A.R.E. program at the Chitimacha Tribal School. Students (pictured above with Officer Theriot, left to right) graduating were Nicholas Boudreaux, Adam Chiasson, Karli Mensman, Taylor Darden, and Sherry Higgins. The students were presented with certificates and D.A.R.E. t-shirts and Officer Theriot also treated them to donuts and juice.

The students also had the opportunity to wear the fatal vision goggles. While wearing the goggles, the students tried to complete several field sobriety tests, as the goggles simulated how drinking can impair your finish and motor skills.

On Saturday, May 03, 2008, the Chitimacha Police Department hosted a training class on handcuffing techniques and defensive tactics. The class was taught by Officer Mike Swords of the Morgan City Police Department who is a certified instructor. The class was held at the tribal school gym from 8 a.m. to noon, and Chitimacha police personnel, as well as officers from other law enforcement agencies attended.

Morgan City Police Officer, Mike Swords, looks on as CTP Officer, Luke St. Blanc masters his handcuff techniques on CTP Officer, Amy Theriot.

On Wednesday, May 14, 2008, Chief of Police Blaise Smith, Sgt. Brian Millet, Officer Amy Theriot, Tribal Probation Officer Gail Current, and Vice-Chairman Tricia Mora, accompanied the 7th and 8th grade students of the Chitimacha Tribal School on a trip to Angola Louisiana State Penitentiary.

Officer Theriot reported that the students had an opportunity to have a felony inmate speak to them and to eat the food that is served at the jail. The students also got to look at the electrocution chair and the lethal injection table. The trip was very informative and allowed the students to see what life is like for those that choose to disobey the laws.

Pictured below, the students experience how it feels to be confined in a tiny jail cell.

CTS NEWS

This truly is what it's all about...A very special moment captured at the 9th Annual Indian Youth Leadership Experience that was held on the weekend of April 11-13th, 2008.

**A MOMENT OF PRAYER...
SHERRY HIGGINS AND
KARLI MENS MEN**

CTS is looking forward to attending the
10th Annual Indian Youth Leadership Experience next year...

Until then...

What is that I hear? Is that a figure in the window? Did I catch a spirit with my camera? Those are the questions that came from the 6th, 7th, and 8th grade CTS students as they toured the Myrtles Plantation on a spring field trip. Students enjoyed a historical and mystic tour of the plantation home and learned that spirits have been documented by many visitors and guests of the Myrtles. Some students embraced the stories and others were a little unconvinced, but all had a great time. Following the visit to the Myrtles Plantation students then traveled to the State Capitol where they ate lunch and visited with Representative Sam Jones.

Representative Jones treated students to a nice ice cream treat and also recognized them on the House floor. A very big thank you goes out to Representative Jones for his time spent with our students and the service that he has committed towards our community. Students definitely took away loads of knowledge from this field trip that covered many subject areas of learning. The following day students tracked their route using Google Maps on the active board. With the help from parents, community leaders, school staff, and the students themselves learning is FUN!

1st Grade School News

The school year came to a close at the Chitimacha Tribal School, but teachers and students squeezed year- end skills and concepts into students' young, eager, and spirited minds. Keeping their learning on track, our first graders are almost ready for second grade. They love to read good stories, and they are learning how to be great writers. Some of the stories have animals in them which students wrote about and created animal collages. Students' work is on display in the hallway for all to see how well they did. The enrichment activity for the story, The Big, Big Sea was an ocean mural. They had a good time painting it. It is also in the hallway for the other students to see. The best science unit students had this year was "The Pond". Students made pond dioramas that included living and nonliving parts and a food chain with three animals.

Ms. Phyllis, their teacher, was so proud of their projects! She is also very proud of Breyonna Verret who was the Star of the Week. Congratulations, Breyonna! Students and staff worked very hard even as the days of the 2008-2009 school year came to an end, but with all of the learning that took place at CTS, they all had FUN! Learning is FUN!

2nd Grade School News

Second graders finished up the year with a bang! They had a Mother's Tea for their moms, which was very nice. They had to learn a poem and be able to say it in front of everyone who was at the Tea. Everyone in class worked really hard to make the Tea a big success. Ms. Brandi put together a power point presentation that played during the gathering. Moms were able to see some of the things their children had worked on throughout the year.

These second grade students were reading AR books every day so they could reach their end-of-the-year goals. Also, they did very well on the I-Leap test. In Science they will be exploring how the heart beats at rest and after exercise. They will learn more about their heart and lungs. They will see why it is important to have a healthy heart and lungs.

The students went to the pool on Thursday, May 22, for their end of the year field trip. This has really been a great class, and Mrs. Debbie will miss them. Have a happy and safe summer. Second grade Star Student was Hannah Butaud. Congratulations Hannah!

Ending our school year with a few words of wisdom!

A big thank you goes out to Mr. O'Neil Darden for graciously coming out to CTS and talking to our 6th – 8th grade students about the importance of their education and how our tribe looks forward to investing in tribal members in hopes to better our people. He connected their past year of schooling to their upcoming school year and allowed students to recognize his own experiences passing from grade to grade and school to school. Mr. Darden touched on many concepts which gave students direct insight from the perspective of a fellow tribal member. Again, many thanks to Mr. Darden for volunteering and we look forward to more visits in the future.

Principal's Note

Congratulations, everyone!!!
This school year has been an
awesome year.

The CTS students, staff, and parents
need to be very proud of their
accomplishments this year—one of them
being making AYP
(Adequate Yearly Progress) on the high
stakes testing LEAP and iLEAP
assessments—GREAT JOB!!

I would like to thank everyone for such
an enjoyable school year. Your support
is very much appreciated. I wish you a
safe and fun-filled summer, and I look
forward to seeing you in August.

Mrs. Tanya

PRICING ADJUSTMENTS

From time to time during the term of this agreement, the pricing for dairy products will be subject to adjustment based on changes in vendor's costs as follows:

- (a) Vendor shall make monthly adjustments for the next succeeding month equal to the amount of the increase or decrease in vendor's Raw Milk Costs;
- (b) Vendor shall make adjustments equal to the amount of the increase or decrease in vendor's costs for ingredients, concentrate and packaging (other than Raw Milk Costs) at such time as changes in those costs occur.

Raw Milk Costs is the net cost paid by vendor for raw milk purchased from a raw milk co-op or producer. This cost consists of the Federal Order minimum raw milk price for the relevant period, plus premiums and assessments charged by the co-op or producer and regulatory agencies.

It also reflects the effect of the butterfat differential announced by the USDA. Within twelve (12) days after the date vendor receives notice from vendor's supplier(s) of any such change in vendor's cost giving rise to a price adjustment, vendor will notify the school's representative of such change and the anticipated adjustment to be made in the prices for the dairy products. Any such change in the price of the dairy product shall take effect on the first day of the succeeding month.

Chitimacha Tribe of Louisiana
Human Services Department
Karen Matthews, MSW, GSW
Social Services Director

Summer has arrived and its time for fun and relaxation not only for the children who are on vacation from school, but for all adults to enjoy. Sitting in the yard, visiting with family, neighbors and friends or perhaps enjoying some fresh lemonade can make all the difference in the world and relive tons of unwanted stress.

Fishing trips, baseball, swimming, crochet, horse shoe, movies and video games, just to name a few provides an opportunity for children and their parents to spend quality time together.

Human Services concluded our Boys and Girls' W.A.R.R.I.O.R.S. Groups (Willing to be A Responsible, Respectful Individual On our Reservation and in Society) for the summer with field trips to Incredible Pizza in Lafayette, Louisiana. Group Members enjoyed a day of fun activities and a meal.

We would like to thank the parents and guardians of all of the children who participated in the Boys and Girls' Groups. Special thanks to the Chitimacha children for their participation. The Boys and Girls' Groups will resume in September 2008 for children entering Kindergarten through Eighth Grade. For more information about the Boys and Girls' Groups contact Hollie or Nicole at (337) 923-7000.

Human Services in conjunction with the St. Mary Parish Red Ribbon Committee participated in the Tobacco Awareness Test. Businesses in St. Mary Parish were observed to determine if they sold tobacco products to underage minors.

The St. Mary Parish Government Substance Abuse Prevention Coalition had two special guests in attendance at our monthly meeting. Commissioner Murphy Painter from the ATC clarified the alcohol licensing process and the Responsible Vendor efforts. Dortha Cummins, Underage Drinking Task Force Director provided an overview of the State of Louisiana Substance Abuse Prevention Coalition and the expectations of the St. Mary Parish Substance Abuse Prevention Coalition developing our Model to address the alcohol consumption and prevention of minors ages twelve to young adults ages twenty-nine.

Human Services participated in the Chitimacha Summer Youth Workers' Orientation. Karen provided two Presentations, "Sexual Harassment" and "Respecting Others." Dr. Naomi Friedberg, Psychologist provided a Presentation on "Discipline Techniques" for Summer Youth Workers working with the Summer Day Camp and at the Chitimacha Child Care Development Center.

Karen has been invited to attend the 3rd Annual Health Summit sponsored by Indian Health Services in Nashville, Tennessee in July 2008. In addition to being an attendee, Karen will conduct a Presentation entitled "Stress Management for Health Care Providers."

Human Services still provides "What's Up Doc?" This is a service for Elders who can from the comfort of their own home contact Dr. Naomi Friedberg, Psychologist by phone at (337) 923-7000 to discuss any concerns or issues they wish to address.

Anyone age fifteen or older wishing to know more about Financial Planning can contact Karen to schedule an appointment at (337) 923-7000.

Until next time, have a Great summer and be safe!

Recreation Newsletter

June 2008

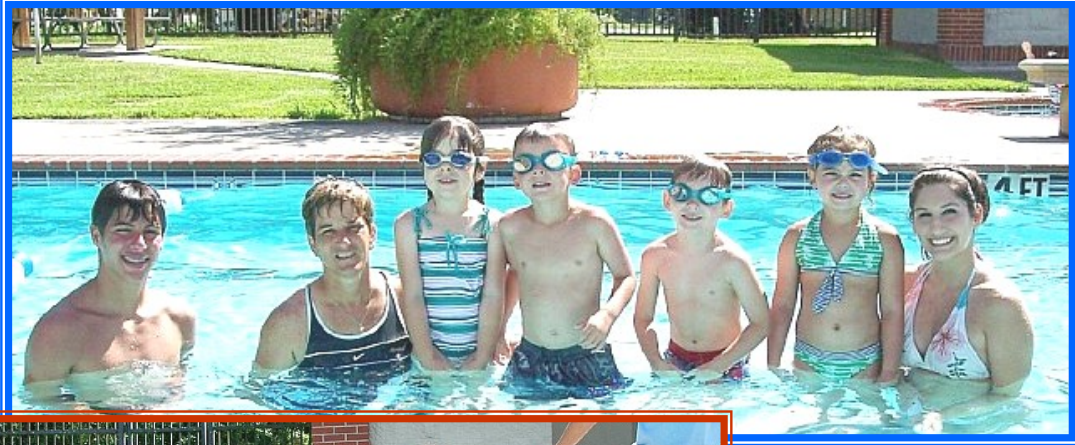

Lifeguarding: Thanks to funds from a Community Injury Prevention Grant, we were able to certify 9 lifeguards during the week of May 27-30. The week long class trained lifeguards in emergency management and rescue skills. The newly trained guards have been very beneficial with the extra kids at the pool attending the summer camp.

Pool: The pool is now open Tuesday-Thursday, 8:00 AM-12:00 PM, 1:00-7 PM, Friday 8:00-11:30 AM, 1:00-7:00 PM, Saturday and Sunday 1:00-7:00 PM. Lifeguards are on duty Tuesday-Friday 1:00-5:00 PM. As a reminder, the pool is closed every Monday for cleaning and maintenance.

Swim Lessons: During swim lessons registration, a total of 66 participants signed up between the ages of 2-12. With our first week of lessons almost complete, we are already seeing progress in our swimmers. Pictured are some of our classes.

Swim Team: Going into our second week of Swim Team practices, everyone is looking forward to competing in the two meets against New Iberia Aquatics on June 19 and 26. Practices are being held Tuesday-Thursday at 11:00 AM.

Summer Camp: We had an overwhelming response to the camp this year. With the help of our teachers, Carla Newman, Jill Gianfala, and Brandi Mensman, along with summer youth workers, Sherry Higgins, Heather Simoneaux, Ciera Johnson, Elizabeth Butaud, Adam Chiasson, Kaitlan Louviere, Nick Boudreaux, Maggie Darden, Emilee Darden, and Lindsey Martin, the camp is going great after our first week. We have field trips scheduled on Mondays and Thursdays to the movies and Lake Fausse Point State Park. Many activities are planned with themed weeks. Our campers are pictured.

Be sure to glance at the marquis for the latest information in Recreation.

Dear Tribal Members:

In response to the letter that was placed in the May Newsletter, we feel as the Housing Authority that our mission and job duties may have been misrepresented. We are charged with the duties of placing needy tribal families in a dwelling that is decent, safe and sanitary. The author of the May letter was right in saying that HUD considers mobile homes or manufactured homes substandard housing. Mobile homes are considered temporary housing and do a very good job of meeting the immediate needs for a lot of people. The original purpose of these mobile homes was to provide a temporary home for displaced families from Hurricanes Katrina and Rita across the Gulf States. As the author suggested many people currently reside or have resided in a mobile home at some point in their lives but most dreams that someday they will be able to purchase a site built home. The funds that are received by the Housing Authority cannot be used on mobile homes in any capacity. It is the mission of the Housing Authority to move people from temporary living conditions into long term housing that is decent, safe and sanitary. As a Board we felt these homes went against our mission and the dollars spent could be better used in constructing a new home that would provide a needy tribal family years of service and one that will increase in value over time.

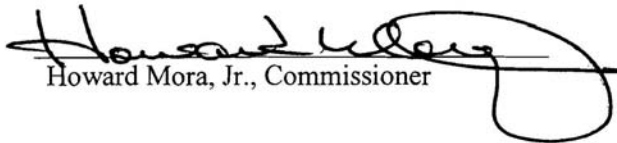

Over the years funding that the Housing Authority receives from HUD has been decreased enormously. We have had to become very creative with the limited funding that we do receive. The original Mutual Help Program is a thing of the past and has been for several years. We had to find a way to provide housing but also protect the limited funds that we have to operate. That is when the Lease Purchase Program was born. This program allows us to construct new homes or purchase existing homes and convert them to a lease purchase. With a lease purchase the homebuyer pays a set monthly payment based on the total cost of the home plus a 4% interest rate for a set number of years. Using the formula and the cost of construction or the cost of purchasing an older home and renovating it, the monthly payment that is required of the homebuyer can be too high for the family's budget. We as the Housing Authority have to take into consideration a person's ability to make the required monthly payments until the home is paid off. With NAHASDA funds we have to serve low-income families but with the rising housing cost we are unable to offer low monthly payments. There have been instances in the past where tribal members were offered housing but had to decline because they felt they could not make the monthly payments. We appreciated their honesty and wisdom of not taking on a big liability when their circumstances were not favorable to meet the required obligations. In doing so they did not jeopardize any chances of receiving a home in the future when their circumstances would afford them to. **DUE TO THE CONFIDENTIALITY GUIDELINES UNDER WHICH WE OPERATE, THE BOARD IS NOT AT LIBERTY TO DISCLOSE ANY INFORMATION RELATIVE TO ANY APPLICATION.**

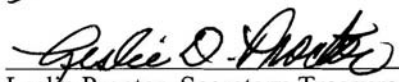

In conclusion we were given the duties of preparing the guidelines, selecting the recipients and managing these homes until all obligations to the Tribe are met. We have worked hard with guidance from the Tribal Council to insure that this will be a successful project for the Tribe, the Homebuyers and the Housing Authority. If you look on page 16 of the May Newsletter you will find a section labeled Housing Recipients and a note where we announced and congratulated the new home owners of this project and some recent lease purchase participants. We have taken great pride and joy in performing our job duties and any time that we are able to provide housing for needy tribal families we have done our job. We hope that this will be temporary housing for these recipients and that someday they can realize the dream of owning a site built home.

GIVEN THIS 13TH DAY OF MAY 2008

FOR THE SECRETARY OF THE NAVY

W. S. BEYER
CAPTAIN, UNITED STATES NAVY
COMMANDING OFFICER, NAVAL SUPPORT ACTIVITY

Greetings in the name of Jesus,

As we have just recently shared Fathers Day, one of God's big Ten is the 5th Commandment, "Honor your father and mother, that your days may be long upon the land which the LORD your God is giving you." (Exodus 20:12)

God's command is that we honor our fathers. He did not say honor them if they were good fathers, or if they gave us everything our heart desired. He said honor them period.

Some of us don't know who our father is, or as in my case my father has went to his reward. But we can rest assured that we have a Father above all fathers. He is our God, who loved us so much that even though we did not deserve it, He sent His only Son to die a gruesome death on a cross on Calvary. Let's give Him glory and honor by trusting in Him totally and make a commitment to follow Him with all our heart.

We are also faced with two important elections this year. First our tribal then our national. We at Chitimacha Outreach would like to wish all our candidates, especially our tribal ones the very best. I also urge every tribal member to prayerfully consider each candidate and vote as the Lord gives guidance in our upcoming election run-off. The Bible tells us in Romans 13 to submit to our government, for there is no authority except from God. So whoever is voted in whether good or bad, we must submit to them. God sometimes allows a bad authority to get our attention. But I am confident that each of our tribal candidates have our best intentions in mind. Please pray then vote.

We also need to be in prayer for our national elections. We will be electing a President and we pray that God will appoint a godly one. Please read 2 Chronicles 7:14. Be sure to vote.

We have also started having intercessory prayer on Sunday nights at 6 PM. If you have needs please feel free to come and bring them before the Lord. We are non-denominational and all are welcome.

God Bless You,
Brother Orien
